Your Letter to Mr. James F. Sieck
Explorer Pipeline Company

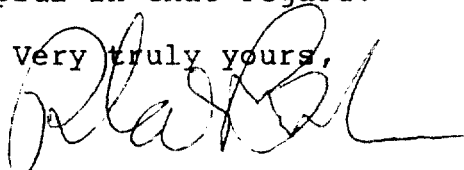

Dear Paul:

We appreciate receiving a copy of your letter to Mr. Sieck of Explorer Pipeline Company. Based on the contents of your letter, we would appreciate information regarding the following:

1. Any recent unauthorized disposal at Site Q. We are unaware of any "recent" disposal. The only disposal that our company is aware of occurred between 1962 and 1975 when the site was known as the "Sauget Municipal Landfill" operated by Sauget & Company.
2. The location of "Drums with unknown wastes and oil-saturated materials" which you indicate are present in scattered areas throughout the site.

It is our company's desire to continue to assist your agency in its on going effort to clean up this area. The information requested would be helpful in that regard.

Very truly yours,

Richard D. Burke
President
